THE PARTY THAT NEVER SLEEPS

W E D D I N G B R O C H U R E

A wedding day is more than just a party. It is a celebration of two souls whose heart beat as one... "

To make this day a success, you need a DJ and music that matches that beat. That soul. That rhythm and vibe.

- DJ Rubin, NYCT DJs circa 2023

I'm sure you're looking for all types of vendors you need for your big day- photographers, wedding planners, florists, and everything in between.
